SMITHERS HISTORY

GF
Gluten Free option, please ask your server

The community of Smithers was founded in 1913 as the divisional headquarters of the Grand Trunk Pacific Railway. The community took its name from Sir Alfred Smithers, the chairman of the board of directors of the railway. Alfred Avenue is also named after him. Lake Kathlyn, one of the most familiar spots in the Smithers area, is named after the daughter of William P. Hinton, General Manager and Vice President of the Grand Trunk Pacific Railway at that time.

In 1921, Smithers was designated as the first incorporated village in British Columbia. Development of local mineral and agricultural resources were encouraged, and a steady economic growth was realized. In 1967, Smithers moved from the status of village to incorporated town.

DINNER

All sandwiches and burgers are served with fries or daily cup of soup. All burgers come with mayo, lettuce, tomato, pickle and hickory BBQ sauce. Ask your server if you would like to change fries to yam fries, Caesar salad, garden greens salad, onions rings or poutine for a small additional fee.
